

Project Name: _____

Customer Contact: _____

Project Manager: _____

Thank you for booking your project through The Soundroom Experts! We look forward to working with you and are very excited to get started on your project. To make sure everything goes well, on time and on budget – we’d appreciate you spending a few minutes to go through the following form to help us get a better understanding of your job site, the project parameters and any special needs or requirements that you have. If you need assistance with this, or would like us to spend some time together going over it please let your project manager know and they’ll be happy to work with you to get the data we need. We look forward to seeing you soon and getting your project started.
